Dr. Damyn Kelly

President & Chief Executive Officer

Dr. Kelly is a skilled strategic leader who has worked for more than 18 years as the chief executive of organizations serving many disenfranchised members of the community. His work has improved the lives of the formerly incarcerated; those living with mental illness, developmental and intellectual disabilities; and the homeless. He has leveraged his experience, industry knowledge, and strong commitment to community advocacy, to bolster the business practices and financial success of several social service agencies.

As CEO of Southeast Bronx Neighborhood Centers, Inc., Mr. Kelly had great success managing a multi-service agency serving more than 6,000 children and families in a variety of educational, vocational, and behavioral treatment programs across 11 facilities.
